PHIL NEAL

I HAVE to admit we were gutted—there's no other word for it—to have gone half a season undefeated before losing so ineptly at Mansfield the other night.

I'm afraid it was just one of those nights when nothing went right for us. It's

no use apportioning blame to anyone—just a matter of accepting that we never got going, defended badly and had a situation where Mansfield took just about every chance that came along.

I suppose something like that had to

happen sooner or later.

The big test now is whether we can show our resolve and bounce back from such a big disappointment. I'm sure the fans will do their bit in driving us on in these two home games coming up against our nearest neighbours, Wigan this afternoon and Bury on Tuesday night.

It is up to the players to make sure they show a positive reaction to the Mansfield result. Let's not get too anxious about the situation but it's essential we get the disappointment out of our systems as quickly as possible.

You can't take anything away from the team for the standards they have set themselves in the course of that incredible run. It's been a phenomenal feat but I'm afraid that at this stage we get nothing for that.

It's important we roll our sleeves up and start a fresh unbeaten run this afternoon.

VISITORS REVIEW

An update of today's opposition

WIGAN ATHLETIC

This afternoon we extend a warm welcome to the players, officials and supporters of Wigan Athletic. Bryan Hamilton's side have been in good form of late and will come to Burnden full of expectation that they can repeat their 2-1 victory over the Wanderers at Springfield Park last September.

Both sides will be eager to put behind them disappointing midweek defeats. While Bolton's proud 23-match unbeaten run was coming to an abrupt halt at Mansfield, the Latics' run of seven league games without defeat was ended with a 0-1 home reversal against Tranmere Rovers. Ian Muir scored the only goal of the game two minutes from time.

That defeat left Wigan in 12 position in the third division table with 46 points from 33 games. Latics are currently six points behind 7th placed Birmingham City, who currently occupy the last of the play-off places.

Prior to the Tranmere defeat, Wigan had strung together their most consistent run of the season, including home wins over Fulham (2-0) and Stoke (4-0) and away victories at Chester (2-1) and Bournemouth (3-0). Their other successes on away soil this season have been at Fulham (2-1) and Cambridge (3-2) with draws earned at Tranmere, Shrewsbury, Mansfield, Birmingham, and Bury.

Two away defeats with nine goals conceded in the opening games at Grimsby (3-4) and Rotherham (1-5) got the season off to a bad start but since then the Wigan defence has

been very tight and in 12 games since the turn of the year they have let in only 11 goals. This despite a goal-keeping crisis when Nigel Adkins was injured after playing in all the early games. With Phil Hughes also on the sidelines, Latics boss Bryan Hamilton had to call on St. Helens Town's Joe Paladino to tide things over until Hughes returned to action in January.

Hamilton, the former Northern Ireland star, took over at Springfield Park for a second time as manager towards the end of the 1988-89 season. In his first spell in charge the club had a good deal of success, winning the FRT Final at Wembley in 1985, before he left to manage Leicester City.

Over the last few years Wigan have developed a number of fine young players, many of whom are now playing in the top two divisions. David Lowe, John Butler, Steve Walsh, Mike Newell, Paul Jewell, Paul Cook, Andy Holden and Paul Beesley have all left Springfield Park in the last five years or so while this season star winger Ray Woods left for Coventry in a reported £200,000 deal.

Pre-season departures saw Dave Thompson and Steve Senior leave for Preston while since then Lee Rogerson has moved to Lancaster City and former Liverpool star David Fairclough has been released. Two former Wigan favourites, Ian Griffiths and Kevin Langley, have returned to Springfield Park. With home gates for most fixtures little over the 2000 mark in a town dominated by rugby league the Latics have to concentrate on bringing on their own youth talent or mostly rely on signings from non-league football or players released by other league clubs. Once again they are proving successful in this policy, with a wealth of talented young players emerging. Strikers Don Page and Phil Daley have formed a fruitful partnership while young players such as Peter Atherton, Alan Johnson and Allen Tarkard have been earning rave reviews of late.

It's a crucial game for both clubs

VISITORS REVIEW

An update of todays opposition

this afternoon and we look forward to an entertaining derby encounter.

Goalkeeper Phil Hughes, a Northern Ireland international with 3 full caps, recently returned to the Wigan side after missing the first half of the season due to injury. The former Manchester United apprentice made his league bow with Leeds in 1983-84 but it was only on joining Bury in 1985 that he began to taste regular first team football. The 26 year old moved to Springfield Park in November 1987 and has now made over 170 league appearances.

21 year old Liverpool born **Phil Jones** joined Wigan from Everton in a permanent transfer recently after a successful loan spell. After making a single First Division appearance as a teenager he gained first-team experience during a loan spell at Blackpool last season. Orrell-born **Peter Atherton** came up through the trainee ranks at Springfield Park, earning a regular place two seasons ago. Ever-present last term, the 20 year old has also played in all Wigan's league games this season, attracting scouts with his polished displays. Ince born **Alan Johnson** made the headlines recently with two spectacular goals in Wigan's 2-2 draw at Bury. The 20 year old is another former trainee and has already made 70 league appearances. **Darren Patterson** joined Wigan from West Brom in April 1989. Born in Belfast, the 21 year old defender has been a regular member of the first-team squad for the last two seasons. Fleet born **Allen Tankard** was signed from Southampton in the summer of 1988. Another highly-rated defender, the 21 year old recently completed a century of league games for the Latics and has been ever-present this season.

Jimmy Carberry joined Wigan from Everton in June 1989 in search of first-team football. The 21 year old Liverpool born midfielder made his league debut at Blackpool in August 1989 and has since made over 40 appearances. **Andy Pilling** joined his hometown club from Preston in

BACK ROW (left to right): Darren Patterson, Phil Daley, Phil Hughes, Dave Philpott, Nigel Adkins, Lee Rogerson, Alan Johnson.

MIDDLE ROW: Alex Cribley, David Fairclough, Allen Tankard, Joe Parkinson, Peter Atherton, Don Page, Ray Woods, David Crompton.

FRONT ROW: Paul Musker, Steven Eyre, Andy Pilling, Neill Rimmer, Bryan Hamilton, Bryan Griffiths, Jimmy Carberry, Stuart Phoenix, Lee Hunter.

July 1987 after finding first-team opportunities scarce at Deepdale. The 21 year old midfielder has since featured fairly regularly in Latics side and is nearing a century of league appearances. **Kevin Langley** returned to his first club in a popular transfer from Birmingham and made his second Latics debut against Wanderers in September. The St. Helens born midfielder made 160 league appearances for Latics before a £100,000 transfer took him to Everton in July 1986. A year later he moved to Manchester City in a £150,000 deal before a third six-figure fee took him to St. Andrews in March 1988. The 26 year old is nearing 300 league appearances. 23 year old **Neill Rimmer**, a former Everton apprentice, joined Wigan from Ipswich in July 1988. The Liverpool born midfielder completed a century of league appearances earlier this season.

Steven Appleton is a former club trainee who has tasted first-team action on occasions this season. The

teenager made his league debut as a substitute at Grimsby in September.

Phil Daley proved an astute signing from current North West Counties League leaders Knowsley United in October 1989. The 23 year old Walton born forward has been a virtual fixture in the Latics side ever since and this season has formed a finer partnership with 27 year old **Don Page**. The Manchester born striker, signed from Conference side Runcorn in March 1989, struggled at first to repeat his non-league scoring exploits at League level and reportedly turned down a move back to the Conference with Altrincham last season. How Latics must be pleased he did for the Springfield Park favourite has been a regular goalscorer this term. **Bryan Griffiths** completed a trio of non-league forward recruits. Signed from St. Helens Town in November 1988, the 26 year old left winger recently completed his 100th league game and has chipped in with vital goals.

Ian Griffiths spent part of the pre-season at Burnden before opting to take up a contract offer at Springfield Park. The 30 year old Birkenhead born winger made over 250 league appearances with Tranmere, Rochdale, Port Vale and Wigan before trying his luck in Japanese football. 19 year old Eccles born midfielder **Joe Parkinson** came up through the club's trainee ranks and has already made around 70 league appearances while 25 year old **Ron Hildersley** was a close season recruit from Blackburn. The Kirkaldy born midfielder numbers Manchester City, Chester, Rochdale, Preston and Cambridge among his former clubs. Last week Wigan took Everton striker **Gary Powell** on a month's loan. The 21 year old was born in Hoylake and is a product of the trainee ranks at Goodison.

Dear Phil,

Hello there! Just a few lines from "Down Under" to wish you and the Lads all the very best for the rest of the season and in your push for promotion. Also to congratulate you on your fifth anniversary at the Club. Not an easy feat by any means in these days of revolving doors and especially with some fickle fans and shareholders around eh? Well done.

You may or may not know of the existence of our Club, the "Bolton Wanderers Down Under Supporter's Club" (what else would you call it?) so just in case I thought that I would drop you a line.

Although we are only a fledgling club, having only started up in 1989, nevertheless we are going from strength to strength and continually increasing our membership. Our members are very enthusiastic and eagerly await results and news from Burnden whilst contributing to the scene in "Aussie". Even though we are of course many miles across the seas from you people there, we still follow the Trotters with much interest and our hearts and spirits are always with you. Needless to say that we are all delighted with the performance of the team at the present. Even if Bolton were bottom of the fourth division (heaven forbid) I think that we would all still be very proud of B.W.F.C.

How many magnums of champagne have you won for "Manager of the Month" award now? Send a couple over here okay? I suppose you would trade them all in tomorrow if it meant promotion eh?

A little more about the B.W.D.U.S.C. Our members range from all ages and backgrounds, some are even born in Australia which is terrific. We even have a New Zealand member! We are spread out all over the country, which is bloody big I can tell you! So it makes get togethers a little difficult! All the same we have a terrific closeness in our common hopes and interests of B.W. So finally Phil, keep up the great work. Although at a distance, we can appreciate the hard work being put in by yourself and the players and realise that you are all under pressure to produce the goods. Please pass on our best wishes to all the players and your staff.

Yours sincerely, Glen Shaw (Secretary)

Bolton Wanderers Down Under Supporters Club

Victoria, Australia.

PS I intend to write to the management to discuss perhaps a greater bond between us "Down Under" and Burnden Park. Come on you Whites.

Dear Sirs,

Due to lack of space, I have a number of programmes for sale which I am selling in bundles of 200 for £10 post free. If interested contact: Phil Daniels, 77 Darley House, Wallace Close, Oldbury, B69 1HT.

Dear Programme Editor,

I would be interested to hear from any of your supporters who have Central League programmes 1946-1960 against Manchester United. I will pay good prices for anyone wishing to help a keen collector.

Yours in Sport, M. O'Brien-Kelly,
286 Walsall Wood Road, Aldridge, Walsall,
West Midlands. WS9 8HB.

* Before the kick-off this afternoon we have the presentation of the Division Three Barclays Bank Manager of the Month Award for February to our manager, PHIL NEAL.

Phil was named for his second award this season by the Football League following a very successful month when the side took 14 points from 6 Barclays League fixtures, taking them into second place in the table, and establishing a new club record of 21 League games unbeaten.

His award is a specially-commissioned Aynsley china plate and a Jeroboam of Champagne which will be presented by Mr David Mason, a manager of Barclays Business Centre, Bolton.

Lifelong Wanderers supporter Harry Pavey, second left, received the red carpet treatment when he visited Burnden Park for the first time on his 71st birthday. Harry, from Weymouth, who has followed the fortunes of the Trotters since 1929, watched his team beat Fulham 3-0.

Joining Harry at the match, where he was greeted by Wanderers President Nat Lofthouse, are his sons from left, Alan, Stan and Ian.

THE CENTRE OF EXCELLENCE — Jim Dewsnipl

Many people throughout the game of football believe in the saying "If you can't pass the ball, you can't play". A sound passing ability is so necessary in a game of football at any level, that is why we place so much importance on the skills of passing here at the Bolton Centre of Excellence with our young players. Here are some practices used.

3. PASSING

Whether the passes are long or short the main points are 1—Accuracy 2—Timing 3—Pace 4—Disguise

You can improve your passing technique by practising on your own. Against a brick wall, pass the ball using the inside of the foot along the floor. Start by using your best foot and then practice using your weaker foot. Make progress by passing the ball accurately above 1 metre against the wall and return it after it has had just one bounce on the floor. This is an excellent practice in improving your one touch passing.

When you can handle this practice comfortably, try and do it by using your instep to pass the ball against the wall with just one bounce.

"OK Fellas" the Challenge for this exercise is 50 consecutive passes against the wall without a mistake. Next Week—Dribbling.

RUMBELOWS LEAGUE CUP OFFICIALS NAMED

The Football League have announced that Ray Lewis from Great Bookham in Surrey will take charge of this year's Rumbelows League Cup Final. Mr. Lewis, who is also on the FIFA list, has previously refereed the 1987 Charity Shield and was the reserve referee for the 1988 League Cup Final. The two linesmen for the game will be John Biddle from Solihull and Mike Bulivant from Cambridge, both of whom have previous Wembley experience having run the line in the Simod Cup Final in 1989. Reserve referee will be Terry Holbrook from Walsall.

This year's League Cup Final will be the twenty-fifth to be staged at Wembley Stadium, since the tie was first moved there in 1967. For the first six seasons, after the competition's introduction in 1960, the Final had been played over two legs at the grounds of the competing clubs.

FULHAM 0

An easy victory for the Whites as they disposed of a struggling Fulham side well before half time.

Tony Philliskirk scored twice to take his tally to twenty two while Mark Patterson scored a last minute goal to add to his first goal for the club the previous week at Tranmere.

This win coupled with Southend's defeat at third placed Grimsby tightened matters up at the top of the Division leaving everything to play for in the next few weeks.

A look at some of the great soccer stars

The Hartle-Banks full back partnership were notoriously the most feared in the 1950's. Bobby Charlton tells the story of facing Roy Hartle as a raw 17 year old Manchester United starlet. Roy's first couple of tackles landed Bobby in the Burnden running track with 'gravel rash'. Before he could recover the story goes that Tommy Banks was heard to shout "When tha's finished wi' him chip him across to me".

Roy was spotted by a relation of the famous Ray Westwood playing Worcester County football. "I got into the first team and made my debut on New Years Day in 1953" said Roy.

He played in every round of the F.A. Cup that season only to be left out in the Final against Blackpool. "I was a little bit inexperienced and John Ball took my place" he confessed. But Bolton put Roy's F.A. Cup track record to the authorities and permission was granted to have an extra medal minted.

Roy made the No.2 shirt his own in the 1955/6 season and for the next 10 years completing well over 500

appearances.

He said, "In those days there were wingers to play and wingers to mark. I used to browse the fixtures and every team had a well known name or international outside left."

Of the wing wizards Roy has faced, Preston's Tom Finney is rated highly. He said, "He was difficult to mark. You thought you had him tight when he

would float away and suddenly be face on with the ball."

Dennis Law was once quoted as saying just had a meeting to that Roy Hartle was the hardest man in football. "It was the way the game was played in those days. We made it as difficult as pos-

hope to have a go back" Roy explained. Talking about his partner Roy said, "Banky was incredible, never stopped talking and if you made a mistake he'd let you know above the crowd". He does remember just once being given the run around in the twilight of his career. "It was a younger 16 year old at Old Trafford one Wednesday night. Against United it was usually a toss up who put on the No.11 shirt and that time it was a lad called George Best. His skill was phenomenal" admitted the former Wanderers captain. Of all the games he played in Roy recalls the 1958 Final as the highlight and he treasures that winners medal.

Still having Bolton at heart Roy Hartle is currently campaigning to form a B.W.F.C. 'old boys' club. "We have just had a meeting to appoint our chairman and secretary and all ex-players are urged to get in touch" he concluded.

Today's visitors Wigan could well have to face one of their old boys this afternoon in the form of Paul Comstive who spent a season at Springfield Park after joining them from Blackburn Rovers in 1983. Paul did in fact face the Wanderers for Wigan back on Boxing Day in that year when a Jeff Chandler goal was enough to secure the League points for the Whites in their first ever League encounter with the Latics.

Paul enjoyed his spell with Wigan as he explains "It was my first full season in the League and I played around forty five games for them. Harry McNally was manager for them at the time and I played mainly at left back. I do remember scoring against a certain David Felgate who was goalkeeper for Lincoln during that particular period." Only midfielder Kevin Langley remains from his former team mates with Paul adding that most of them did get moves to play in higher divisions. "That's right. Most of the team that I played with at Wigan got moves to either First or Second Division clubs with Kevin who has now returned to Springfield Park being transferred to Everton.

After leaving the Latics Paul joined Wrexham where he played in Europe when the North Wales club won the Welsh Cup. "That was quite a thing playing in the Cup Winners Cup and I must say that at the time English

clubs were banned from Europe so I must be one of the few Englishmen to play in Europe at that time." Paul played well over a hundred games for the Fourth Division outfit before being transferred to Burnley where he went on to play a further 103 games scoring a very impressive twenty three goals. "The highlight at Burnley was playing at Wembley in the final of the Sherpa Van Trophy in 1988 against Wolves and even though we lost 2-0 it was still a superb day in front of a 84,000 crowd" added Paul.

The tall midfielder joined the Wanderers in September 1989 for a fee of £37,500 from the Turf Moor outfit and nearly instantly repaid his fee with a vital goal at Watford in the Littlewoods Cup which took Bolton through to the memorable games with Swindon.

This season Paul had to wait patiently for his opportunity but took it impressively in front of the BBC Match of the Day' cameras when coming on as an early substitute for Gary Henshaw in the first round FA Cup tie at

Paul Comstive in action against Wigan last season at Burnden Park.

Watton Albion. "Yes it was a good team performance that day in tricky conditions and I managed to score, which made it even more satisfactory from my point of view" stated Paul.

Another outstanding performance from Paul came in the New Year's Day home victory against Bournemouth when in swirling wind and rain conditions he managed to score direct from a corner, not once but twice. "The first one caused a bit of confusion to who actually got a touch to it but there was no doubt about the second" he added.

We asked Paul what he liked to do when he's away from the game. "Well, it's good to relax with the wife Jill and young daughter Lauren, and if I have a bit of free time I like to try and fit in a round of golf."

After currently spending the last few games on the substitute bench we asked him if he found it frustrating not being involved in the action. "It's hard watching, but the lads are doing very well at the moment so I will just have to wait for a chance to get back into the team. I am happy enough with my own form and playing in the

successful reserve side at present is keeping the edge going" stated Paul.

Paul isn't really superstitious before a game but revealed that he always eats a Mars bar three quarters of an hour before a match, but joked "It's sometimes only half a bar, if the other lads get a chance to get hold of it".

The twenty nine year old Southport born player is confident that the Whites are on target for promotion this season. "We've a good chance of going up which would make up for last season's disappointments of failing in the end of season play-offs. We've still a fair way to go but the lads are playing with great confidence and team spirit and it's looking good" added Paul.

With the hectic run-in to the end of the season now upon us there's no doubt that Paul Comstive will feature in some very important games for the Wanderers. It's reassuring to know that his versatility to play in a number of positions is a crucial weapon manager Phil Neal has close to hand.

The Reserves responded quickly to their defeat the previous week by earning maximum points from their visit to Vale Park.

It was an entertaining encounter but a manager's nightmare as the Wanderers almost let Vale off the hook with some gifted goals.

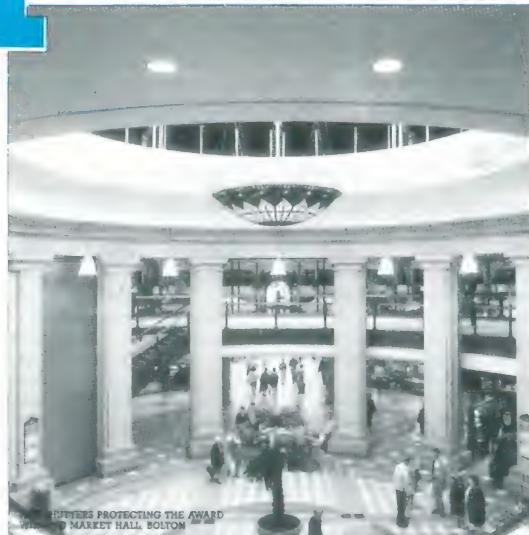

Bolton took the lead on the half hour, Mike Jeffrey heading into an empty net after Alan Stubbs had flicked Neil Fisher's cross into his path.

Brian Mills capitalised on a mistake in midfield to break clear and level the scores in the 34th minute whilst in the opening minute of the second half he again got clear to put Vale in front.

Bolton regained the lead with two goals in a three minute spell. In the 68th minute Gary Henshaw cut the ball back across the face of the goal to find Ian Stevens who headed his 11th goal of the season. Henshaw then collected a Paul Comstive free kick to cross for Alan Stubbs to head the Wanderers third goal in off the underside of the bar.

Vale hit back immediately to level the scores. Mills again out-

REVIEWING 1985...

6th April, 1985.
League Division Three
Attendance: 6,067

Bolton Wand. 1 — 0 Wigan Ath.
(Chandler, Pen.)

Our exciting draw at Tranmere the other Friday night saw us encounter another interesting Third Division programme.

This season Tranmere reverted to a larger A4 size format from their more traditional A5 size of the previous few seasons. Interesting features inside the issue included 'Passing Back' a good article on past meetings between the sides while the feature on the Wanderers was both informative and a good read.

The overall view of this programme is hit and miss; good features on the one hand while not good use of space on the other. You can't really complain about the value of the magazine, priced at 80p, but I personally don't think this is an improvement on last season's issue.

A lighthearted look at football

Welcome this afternoon to our mates from down the road, Wigan Athletic. Currently going through a good run in the league their manager Bryan Hamilton has described this encounter as a potential 'classic'. Well let's just hope he's right, with three points going to the Whites, of course!

Hopefully we should see a 10,000 plus gate this afternoon with our visitors being located so close. After a disappointing start to the season our average crowd on last season was down by over two thousand a match but with our recent attendances improving considerably it's moved the average up to around the 6,500 mark. With still some attractive home games to come we could even match or improve on last season's average of 7,300.

Moving on to more lighter topics and last week's Ribble Valley By-Election which not

only made national headlines with our Conservative friends losing one of their safer seats but once again featured Screaming Lord Sutch him dear, in fact it cost him a crust or two in deposits over the next few years. Getting back to more serious matters and a word or two

who really does enlighten British politics. He, and only he, could get away with calling the poll tax an unfair tax on the Polish people, or even more so stating that the Common Market should be held on Wednesday's. The nearest he has come so far in securing a seat in the House of Commons was the Wigan By-Election of a few years ago when he made the fatal mistake of promising the Wigan public that he would introduce the pie tax and virtu-

ally double the price of meat pies over night. It was a mistake that was to cost

A NTIAL SSIC

Getting back to more serious matters and a word or two about our Reserve side, which is currently in one of the promotion places in the Second Division of the Pontins League. The lads under the guidance of Steve Carroll have been playing some excellent football and in the process scoring

plenty of goals. The last home game they had against a strong Oldham outfit, which included the likes of Moulden, Adams, Currie and Warhurst, saw a fine 3-1 victory which kept them on target for the climb to the First Division.

Next Tuesday sees another local derby down here at

Burnden Park with our friends from Gigg Lane visiting us. Bury, as it has been mentioned recently, are very much troubled financially with a number of players having already been transferred or loaned out to other clubs to ease costs. In saying that they have battled well in recent weeks to maintain a strong presence in the promotion places and in ex Wanderer Mike Walsh look to have a shrewd young manager. It looks to be another tough game with the Shakers which should attract a very big gate—dare I say the biggest of the season so far!

Enjoy the game today. Lets get behind the lads and keep up the tremendous level of support that I know the players appreciate so much, it really does make all the difference and in the final run in to the end of the season could

prove invaluable.

'The manager will be delighted to discuss more comprehensive insurance for the club and, yes we CAN have our ball back.'

A look back at the recent past

BY

SIMON MARLAND

The Wanderers face Wigan Athletic today for the 14th time in League football all of which have taken place in Division Three.

The clubs first met at Springfield Park on Boxing Day 1983. The morning kick off proved a hit with a crowd of 10,045, Wigan's best League gate at the time, seeing a Jeff Chandler goal win the game for Bolton. Earlier Wanderers' keeper Simon Farnworth pulled off a penalty save from Bolton old boy Steve Taylor.

Wigan made their first visit to Burnden Park in April 1984 and took maximum points thanks to a 13th minute goal by Steve Johnson.

Since then Wigan have managed to record two further League victories in January 1986 and April 1987 both by a 2-1 score line here at

Julian Darby scores the winner in last season's exciting 3-2 win against Wigan at Burnden.

Burnden. The Wanderers have managed with the game at to stop this trend. Burnden producing however in the last one of the most exciting two meetings here, although visits to between the clubs. Springfield Park Wigan stormed have only managed into a two goal lead to produce the one inside five minutes point from the last thanks to a Scott McGarvey free kick four encounters.

Bolton's last success at Wigan was in March 1986 when

goals from Asa Hartford, Mark Gavin and Tony Caldwell ended the home sides run

of 33 games without defeat. Wigan's only consolation was a Julian Darby. Two

goal from Colin Methven. Darby made it 3-2

Last term both with a header, all clubs won their re-

kirk also laid claim to the goal.

At Springfield Park a goal from Bryan Griffiths and an own goal by Phil Brown gave Wigan victory whilst earlier this season the Wanderers went down 2-1, their fifth defeat in seven games, only one reverse having been suffered since then at the time of writing.

Our overall league record against Wigan is as follows:

in July 1980 and helped
them win promotion from

1941/42 SEASON

Once again the job of attempting to raise a team caused manager Foweraker numerous problems. He had to rely to a great extent on amateurs under military age or soldiers on leave.

Whilst stationed in this Country the Wanderers players were guesting for other clubs. Geldard with Charlton, Currier with Manchester City, Hanson, Howe, Sinclair, Hurst, Roberts and Goslin all with Norwich City, the latter also turning out for Chelsea. During October Goslin won a couple of international places for England although these are not recognised as they would be in peace time. He played in a 2-0 win over Scotland at Wembley and a 2-1 win over Wales at Birmingham.

The Wanderers' life was not made any easier by other league clubs unwilling to reciprocate in the

loaning of guest players.

Preston were asked permission for the loan of Wharton, a Bolton man, and Mansley for a game at Chester. Permission was refused despite the fact that North End did not require the services of the players themselves. Norwich City of all clubs, did they not have the services of a number of Bolton players? failed to reply to a request to play an RAF man stationed locally.

Other problems were those of guest players actually being given leave. For one game Johnson of

Grimsby and Boutler of Brentford were visited Burnden and Lofthouse was left out to step down when they were ordered to change their RAF camps.

A game scheduled to take place at Bradford City on March 25th had to be cancelled when only two players, Nat Lofthouse and Harry Hubbick, could be recruited with the release of guest players in the services unable to be obtained.

Bolton got off to a reasonable start in the league with only one defeat in the opening six games. On the opening day, at Bury, the second competition commencing a tremendous fightback saw the Wanderers draw 4-4 after being 3-1 down.

A week later Bury qualifying competition played on a league basis to decide the 32 teams who would go into the knockout stages.

to allow Harry Goslin, home on leave, his usual position. Goslin grabbed one of the goals in a 2-1 win.

Five consecutive defeats left the Wanderers in a poor position, the last one of this spell being at Burnley where the team arrived in two trucks and a taxi after the coach had broken down.

The first league competition ended on December 25th with a tremendous fightback saw the Wanderers draw 4-4 after being 3-1 down. This included the football league War Cup games.

Many of these games were cancelled through bad weather and so an average was calculated on 23 games. The Wanderers failed to qualify for the final stages of a competition that was eventually won by Wolves.

George Hunt, leading scorer with 20 goals and Harry Hubbick were the backbone of the team throughout the season, missing only three games between them with a total of 62 players being called upon to play 33

HELPING THE GAME

A fine new stand - one of the many initiatives supported by Trust funds

The Football Trust 1990 has been created to help the game at all levels and to assist clubs meet the requirements of Lord Justice Taylor's Final Report.

Safety and comfort for all spectators is the primary objective and substantial funds have been made available for the provision of seating at Football League grounds. At the same time the Trust's commitment to family and community initiatives will continue with the provision of more family enclosures, better toilet facilities, covered accommodation, artificial pitches for local use and the development of women's and junior football particularly through community programmes, plus a wide range of policing and crowd control measures.

Each year The Trust expects to receive £20 million from the reduction in Pool Betting Duty plus the £10 million continuing contribution from the Spotting-the-Ball competition organised by Littlewoods, Vernons and Zetters. This money will be invested in projects which benefit football throughout the United Kingdom.
